

PRODUCT DATA SHEET

0722 Multi Hazard Trousers:

- Concealed jean button and YKK® zip fly, 7 belt loops with an extra wide loop at the rear that stops the belt riding up uncomfortably over the trousers when working
- Large ergonomic leg pockets, side pockets and large back pockets with snap closures to protect from debris and let the wearer keep items close at hand.
- Top-loading knee pad pockets for easy insertion and removal of knee pads to keep the wearer comfortable and protected when kneeling
- 50mm FR reflective tape sewn round the ankles.
- Elasticated back waist provides a more comfortable fit
- Shell FR logo on the right leg
- Employee's Name printed inside the trouser.
