

Extreme Oil and Impact Protection for Upstream Workers

The ActivArmr® 97-120 addresses oilfield workers' top frustrations in the rugged upstream environment – by delivering the best of both safety and comfort. Outstanding mud-oil grip plus cut and impact resistance protects hands in extreme conditions, reducing fatigue and increasing productivity. And specialized oil impermeable technology keeps hands clean and dry – for all-day comfort that helps get the job done.

Industries

- Oil & Gas industry

Applications

- Connection of pipes
- Disassembly/assembly of motors/ tools
- Handling pipes, bits and other materials
- Reworking tools
- Running cables
- Washing and cleaning tools

Performance Profile

Characteristics

- Easier handling of tools, increasing safety and reducing fatigue
- Hands stay clean and comfortable when handling wet or oily objects
- Impact protection reduces potential for injury
- 15-gauge liner increases user comfort and dexterity
- High visibility color increases awareness of location of users' hands for safety
- Intercept™ Technology provides cut protection, increasing safety

Key Features

Feature Icons

Integrated glove feature icons allow for quick identification.

High Visibility

Bright orange-colored exterior and reflective logo increases awareness of hand location in low light conditions to keep workers safe and seen.

Oil Impermeable Barrier

Repellency from drilling fluids and oils to keep hands clean and improve comfort.

Enhanced Oil Grip

Mitigates hand fatigue and injury by addressing the #1 worker frustration for efficiency and safety.

Impact Protection

Impact bumpers protect entire back of hand from medium-level impact injury to prevent loss time.
