* Also available in Short and Regular sizing in regards to leg length. Ask our Customer Service for more information.

How to measure

Chest: Measure horizontal over the widest part of the chest.

Waist: Measure horizontal over the waist.

Length: Measure vertical your length without shoes.

NOTE: All measurements must be measured at a body, only wearing underwear. Stand straight up. Don't pull at the measuring tape, but keep the tape taut, with a finger between the tape and the body. When in doubt please contact us for help, the size guide is only for indicative purposes.

Need help?

We're here Monday-Thursday 08:15 - 17:15 CET, and Friday 08:15 - 17:00 CET.
